

## ARE YOU READY TO BE A CCAHEC BOARD DIRECTOR?

### Vision

Health-conscious and educated communities served by a diverse and competent healthcare workforce.

### Mission

Within an innovative framework, CCAHEC partners to create and implement educational programs, addressing the dynamic needs of students, providers, and community members.

### Position

Every goal we establish within the CCAHEC organization will directly or indirectly support our values.

#### We Value

- Data that informs and influences decisions
- A sufficient and competent healthcare workforce
- Maximizing the utilization of resources
- Robust academic-community partnerships
- Health-consciousness

#### Our Goals Allow Us To

- Improve the distribution of the healthcare workforce
- Create educational opportunities to address the healthcare needs of our communities
- Increase the diversity in all health disciplines
- Connect students to careers, professionals to communities, and communities to better health.

Deadline to Apply is  
**September 27, 2019**

### Who can be a CCAHEC Board Member?

Anyone from Adams, Arapahoe, Boulder, Broomfield, Clear Creek, Denver, Douglas, El Paso, Gilpin, or Jefferson counties who represent regional:

- Hospitals
- Medical Societies
- Public Health Organizations
- Institutions of Higher Education
- Organized Health Departments
- Colorado Nurses' Association Districts
- Dental Societies
- Mental Health Centers
- Pharmaceutical Associations
- Long Term Care Facilities
- Home Health Care Agencies
- Disabled, Handicapped, and Rehabilitation Agencies
- Community and Migrant Health Centers
- Business Community at Large

### What if I don't know much about CCAHEC?

Do you have a passion for nonprofits, healthcare, or education? If so, that is what we want! We connect students to careers, professionals to communities, and communities to better health. We are a HRSA, University of Colorado and public/private grant-funded nonprofit that provides educational programs to advance health careers. We also provide services to communities to improve health. Who wouldn't want to be a part of that great mission? See [ccahec.org](http://ccahec.org) for more info.

### How do I apply?

Applying is easy!  
Visit [www.ccahec.org/bod](http://www.ccahec.org/bod)

Be sure to read the following documents on our website before applying:

- Board Director Job Description
- Statement of Agreement and Responsibilities
- Ten Basic Responsibilities of Nonprofit Boards

### How much time does this require?

Thanks to the University of Colorado Denver, we use ZOOM video conferencing for our Executive Committee Meetings (6/year) and for half of our Full Board Meetings (6/year). Meetings are typically less than 1.5 hours. Full board physical meetings will only take place 3 times per year, plus a full-day strategic planning session. Committee participation is encouraged. Our committees include: Executive, Programs, Finance, Board Membership, and ad-hoc sub committees.

On average, you should expect a time commitment of no more than 6 hours max per month.

### Be honest, do you just want my money?

Nope. We want directors with knowledge, skill, ideas, and passion for improving the future of healthcare. Yes, we ask for a personally significant financial contribution, but there is no fixed amount. We ARE a non-profit, but we'd rather have active board members who can help us identify new funding sources than nickle and dime our directors.

### I don't have much board experience. Is that ok?

It is definitely ok. We are committed to board development and education to ensure everyone has the needed foundation to be successful.
